TRILOGY TRENDS

Comfy Kicks

Shoes, shoes, shoes! We love to own them! Shoes are beloved by most women, especially by us here at Trilogy. One thing that can be hard to find is comfort plus style.

Up your basic sneaker look with Nike Dunks. A comfortable shoe that will keep people staring, this trendy shoe is great for not only the moms, but also for their kids. Who does not love a “mommy and me” twinning moment?

We at Trilogy suggest the Orange Pearl Nike dunks; this color represents Trilogy well!;

Wondering how to style pink shoes? It's not as hard as you may be thinking. Neutrals are essential to any wardrobe. Pair your neutral clothing with these Nikes and you will be #trending all the way.

Energy? Never Heard of Her

As we all know, energy is something we can all lack. Especially during back to school season, the busy schedules are not energy friendly. Looking for a quick pep in your step without damaging your health? Celsius energy drinks have become the new pick me up.

With zero sugar and no artificial ingredients, Celsius is proven to “power you through any task at hand”. Unlike most energy drinks, Celsius keeps the jitters and shakes away. The natural ingredients help enhance your energy in a healthy way.

For the moms out there, keeping your kids hydrated and healthy is important, but water can be boring to some. Enhance your kids drinks by adding fruits to their waters. Examples would be lemons, kiwi, or strawberries. A naturally flavored water will keep your kids hydrated and excited.

The Bigger the Better

As seen on Louis Vuitton and multiple other designer runways for fall 2021, large tote bags are not going away. The classic, yet trendy totes are a perfect and practical way to stay organized while hauling books, makeup, and many other items back and forth.

A chic tote bag is perfect for you mamas out there who cannot seem to catch a break. Running kids to and from school while managing your own schedule can be tough. The tote bag is designed for those on the go.

Our beloved Nordstrom has beautiful alternatives to those “as seen in Vogue” totes. There you’ll find a cheaper price tag for the same look.

It's Time to **CELEBRATE**

Trilogy's 8th Anniversary is right around the corner. Come out for our annual cocktail event in honor of Trilogy's success. You can expect our usual mega raffles, along with smaller raffles. Our exclusive deals will not disappoint, as we are featuring Sculptra, Cool Sculpting, Facials and more! If you RSVP to our event, you will receive a skincare goodie bag the night of the event! Join the Trilogy family and celebrate with us!

Trilogy's Revamp

Trilogy's 8th Anniversary is not the only exciting event happening this September. In honor of Trilogy's successful eight years, we, at Trilogy, have decided to revamp our brand. Specifically focused on Trilogy's monthly newsletter. I hope you are enjoying our new and improved newsletter and that you will be on the look out for the months to come. You can expect a new issue every month

consistently featuring Trilogy Trends, Specials, and Trilogy Lifestyle. The newsletter will also consist of an extra article every month featuring things such as businesses, special women, and exciting changes for Trilogy. We hope this newsletter inspires you in more ways than one and is something you will always look forward to. Welcome to Trilogy's 2021 Newsletter Revamp.

Thank you so much for subscribing to Trilogy's Newsletter. We hope this issue was informative and inspirational. Be on the lookout for our October issue!

We hope you are as excited as we are!

Xoxo, Trilogy
