you think!**

Katie Waltman

WOMEN IN BUSINESS HIGHLIGHT

Katie Waltman Jewelry was founded in Salt Lake City, Utah during the Spring of 2002. First inspired by her grandmother's bead collection, Katie began making pieces for herself. Since then, Katie's jewels have become highly sought-after treasures. Katie Waltman jewelry has been seen in People Style Watch, Elle Magazine, and Oprah.com and has a clientele that includes Molly Sims. She attributes her success to her passion for creativity and her love for all things beautiful.

CHELSI'S FAVORITE TREATMENT **Microneedling**

I love microneedling because it activates the body's natural cellular regeneration to help tighten the skin, minimize pores, smooth texture, and even skin tone.
